The Engineering Test Institute certifies hereby that the characteristics of the product samples concerned have been found conforming to the applicable requirements of

EN 303-5:2012 (with the exception of Deviations C.2.2, C.2.3, C.5.1, C.5.2 and C.6 Annex C).

The present Certificate has been issued on the basis of Test Report 30-12223/T of 2014-03-13, issued by Engineering Test Institute.

The rules for using the Certificate are specified on Page 2.

Brno, 2014-03-14

Ing. Tomáš Hruška
Director

RULES FOR USING THE CERTIFICATE:

For the purpose of marketing the products, the present Certificate may only be used provided that the normative document specified on Page 1 is valid.

The Certificate may only be used as a certificate for the products specified on Page 1. This holds true also for the use in advertising, promotional and commercial materials. Unauthorised or deceitful use of the Certificate may result in its revocation.

It is forbidden to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the products changed without the consent of the Engineering Test Institute in such a way that conformity with the technical requirements specified on Page 1 is affected.
